PROFESSIONAL SUMMARY

Law student with hands-on experience in legal client service, drafting of procedural documents, and support to ongoing judicial proceedings. Skilled in document analysis, case organization, and client relations, gained across a public legal institution and a private law firm. International experience in the United States in a multicultural, high-responsibility operational environment that strengthened communication, adaptability, problem-solving, and decision-making under pressure. Committed, detail-oriented, and driven to build a solid career in law.

PROFESSIONAL EXPERIENCE
